P. & S. D's G.R. No. 2735/46 of 28-11-1951.

Respected Sir,

I, Shri. S. V. Buva, Temporary Over-Seer now working in Dharwar Division (B & R) beg to submit the following few lines before your honour by way of representing my case for the post of a permanent Over-Seer with the hope that it will receive adequate consideration.

I have passed D.C.E. in 1935 (when I was twenty-two years old) from the College of Engineering Poona, but I could not enter Bombay State P.W.D. for want of vacancies for the post of Over-Seers. This situation (getting employ--ment in Bombay P.W.D.) prevailed till 1940 by which I was over-age. I got my first appointment in Bombay P.W.D. in the year 1939 under the Executive Engineer, Village water supply Schemes Kannada Zones, Belgaum, but his Office was abolished in the same year and I was soon out of employ--ment.

I again and again entered P.W.D. but was unfortunate to be continued therein. In the year 1942 I again entered in Govt. Service in the Agricultural Department, as a Junior Surveyor and served in the Department as a Senior Land Assistant in the Grade of Rs.160-10-260 when my services were terminated being temporary in 1945

When I found that with all my honest efforts I failed, I entered in Kolhapur State Service as an Over-Seer with a higher starting pay of Rs.100 with benefits of future,

* Kolhapur Govt. G.R. enclosed.

future increments. I am a native of Kolhapur. Due to change of administration from time to time in the Kolhapur State i.e.

i) Administration of Regency Council.

ii) Administration of His Highness, Maharaja of Kolhapur.

iii) Administrator's Rule:

No Over-Seer was made permenent during the period

In the year 1949 the Kolhapur State was merged in Bombay State and my position as an Over-Seer became worst than in the past in all respects. The rules regarding the fixation of pay of temporary servants are such that no benefit can be derived to a state Servant of Over-Seer Cadre. No consideration is given whether the candidate is qualified or has got experience and the higher starting pay given to me by the Kolhapur State.

I am now in Bombay P.W.D. since 1949 and my present age is 40. I am drawing a meagre pay of Rs.115/- in spite of my experience for 17 years without getting any increment. I am presently working in Dharwar Division for the last 2 and a ½ years which is purely Kannada unlike Kolhapur.

I thought I will be made a permanent Over-Seer as per P.S. D's G.R. No. 2735/46 of 28-11-1951 but due to P.W.D.G.R. 2159/48 of 30-1-1952 I am disqualified to appear for the said competitive Examination my age being 39 on December 1951 and de-barred from getting a permanent post.

This clearly means I will have no scope in the present service even after putting in 7 years continuous service with previous experience for 10 years. Instead of getting benefits in Bombay State I am put to inconvenienc as below:

i) I am serving for the last 3 years without getting any increment though fresh D.C.Es are getting

7

getting Rs.116/- at start.

ii) I have now to serve in Southern Circle i.e. practically in Kannada area which is of no use to me for giving primary Marathi Education to my children.

iii) I would have been permanent in the Kolhapur State P.W.D. at the latest by this time.

Most of the state servants merged in Bombay State before merger were permanent and naturally they will absorbed as permanent servants in Bombay State except Kolhapur for the reasons mentioned above.

I pray therefore my case for permanency may kindly be considered from 1-5-1951 i.e. permanancy of the Kolhapur Division where morally I should have a claim to be so. The P.W.D.G.R. No.2159/48 of ~~20-1-1952~~ 30-1-1952 about competitive examination may not be made applicable to me the same being brought in force after 1/5-5-1951. This is the last cry of mine and I hope it will receive your immediate attention for the convincing facts stated above.

Yours faithfully,

Encl.

The representation of Shri.S.V.Buwa, Temporary Overseer, dated 8-2-53 has not been received in this office. The Executive Engineer, Dharwar Division, is being requested to pass it on to this office in case it is lying in his office and will be passed on to Government on receipt. I may mention here that Shri.S.V. Buwa, Temporary Overseer, ranks very low in seniority, being at S.No.126 of the Seniority List of Temporary Overseers for the year ending the 30th June 1952, submitted to Government under this office No.R-21/Mis, dated 12-11-52 and as such his chances of being made permanent in the near future are remote.

21- The case deserves sympathetic

consideration because Shri Bonra has been a victim of the process of merging of States. He would normally have been made permanent in the Kolhapur State P.W.D. in view of his experience and length of service. But it was unfortunate that the proposals did not materialise. Due to change in the policy of recruitment to the Subordinate service of Engineers in Bombay P.W.D. Shri Bonra is not eligible to appear for the competitive examination due to the age limit and thus he is deprived of the chance of having a permanent post in the Bombay P.W.D. in spite of his long honest service in the Department and his long standing experience.

Being familiar with the systematic working of Shri Bonra and his long experience in various capacities, I strongly feel that it will be unjust to make him suffer. It is therefore requested that his case may be considered sympathetically and he may be taken up in the Subordinate service of Engineers

The Executive Engineer has reported that the matter was under correspondence with the Sub-Divisional Officer, Gadag under whom Shri. Buwa is serving and hence the delay.

Shri Buwa, an Overseer of the Ex-Kolhapur State, states that in view of his experience and length of service, he would have been made permanent by in the Ex-Kolhapur State by 1-5-1951. He further states that due to his overage he is not entitled to appear for the Competitive Examination conducted for the purpose of recruitment to Subordinate Service of Engineers. As regards Shri Buwa's request that he should be made permanent, the S.E., C.C. is of opinion that this cannot be done as Shri Buwa stands low in the seniority list of Temporary Overseers maintained in his Circle.
